

2018 Reciprocal Admissions Program

One of the benefits of becoming a member of the Friends of the Charles Paddock Zoo is free or discounted admission to any of the other AZA member zoos and aquariums that participate in the Reciprocal Admissions Program.

Please note that the number of visitors admitted with a family membership may vary and parking may not be included. In addition, participating institutions located in close geographic proximity to each other are not required to offer free or discounted admission to each other's members in order to participate in AZA's Reciprocal Admissions Program; for instance—Milwaukee County Zoo does not reciprocate with Lincoln Park Zoo, Henry Vilas Zoo or Racine Zoo. ALWAYS CALL AHEAD!

The Program covers admission to the main facility on normal operating days and hours, and may exclude exhibits or events requiring an additional fee.

You must bring proof of your zoo or aquarium membership with you.

The number of visitors admitted with a family membership may vary depending on the zoo or aquarium.

Please check whether your desired destination offers full or only discounted admission.
